2025 IPPY AWARDS GUIDELINES

WHO MAY ENTER

Independent publishers, university presses, self-publishers and independent authors throughout North America, as well as overseas publishers and authors who publish books intended for an English speaking audience are eligible. Authors are welcome to enter their books themselves.

We define “independent” as:

- Independently owned and operated
- Operated by a foundation or university
- Long-time independents that became conglomerated but operate autonomously and publish fewer than 100 titles a year.

ELIGIBILITY

Books released with **2023-2025** copyrights are eligible. Entrants are to select the category and/or region (see category list) in which the book(s) should be judged.

Regional entries do best when their subject matter reflects the region in which they are entered. In other words, a book by an author from Quebec writing about a murder in Maine will do best in the Northeast U.S. regional category. Make your decision on whether a book will sell best at a regional level, and which region it will sell in.

eBooks are eligible in our eBook categories and can also be entered in regular subject categories, where they will be judged alongside print books.

HOW TO ENTER

There are two ways to enter the awards:

1. **Online:** Enter and pay by credit card at ippyawards.com/enter.
2. **By Mail:** Print and fill out the entry form, then send it with your payment by check.

SUBMISSION & FEES

You may submit a title in multiple categories, but an entry fee is required for each category entered. Please send one copy of the title for each category. Mail submissions to:
