2027 IPPY AWARDS GUIDELINES

WHO MAY ENTER

Independent publishers, university presses, self-publishers and independent authors throughout North America, as well as overseas publishers and authors who publish books intended for an English speaking audience are eligible. Authors are welcome to enter their books themselves.

We define “independent” as:

- Independently owned and operated
- Operated by a foundation or university
- Long-time independents that became conglomerated but operate autonomously and publish fewer than 100 titles a year.

ELIGIBILITY

Books released with 2025-2027 copyrights are eligible. While the contest is for published books, an ISBN is not required. Galley copies may be submitted if finished copies are not yet available.

eBooks are eligible in all general categories, where they will be judged alongside print books.

The use of AI is discouraged and may factor into the judges' final decision.

HOW TO ENTER

There are two ways to enter the awards:

1. **Online:** Enter and pay by credit card at ippyawards.com/enter.
2. **By Mail:** Print and fill out the entry form, then send it with your payment by check.

Once you submit your entry, we'll confirm it via email and keep you updated with judging progress and results announcements. So, be sure to provide a valid email address and add info@ippyawards.com to your contacts.

FEES & DEADLINES

You may submit a title in multiple categories, but an entry fee is required for each category entered.

WHAT TO SEND

Submission requirements vary by category entered.

- General Categories: Choose the submission method that best showcases your work:
 - Option 1 - Mail a Physical Copy: Send one copy of your title per category entered to the shipping address below. Be sure to print this page and include it with your book(s). If you are shipping your book(s) directly from a distributor, the printed page is not required. We will match your book to your entry in our system. Judges will only see the book itself, so please don't send any press kits, reviews, bookmarks, etc.
 - Option 2 - Upload files (PDF only) after entry
- eBook Categories: Upload files (PDF only) after entry (physical will not be accepted).
- Audiobook Categories: Enter a gift code from your platform of choice after entry (audio files will not be accepted).
- International Submissions: We strongly recommend submitting an eBook over mailing a physical book to help avoid shipping delays and additional fees. All physical international shipments must be sent DDP (Delivered Duty Paid). Any package sent with duties or taxes due on delivery will be refused or returned to the sender.

Mail submissions to:
